Sub Duty of Interns of GNM Course.

Madam,

This is for your kind information that the internship of GNM students has already been started from 1st Jan. 2016. The GNM interns have been posted in the various hospitals so that their services may be used for the benefit of People of Punjab State. Posting of GNM interns in hospitals is shown in the list on our website www.pnrc.in. Interns have been directed to report to the hospitals on 1st Jan. 2016. Doctor Incharge and Sister Incharge will take their joining and make their roaster so that the students have exposure to all types of Clinical Area. Duties should be in three shifts i.e. Morning, Evening, Night. Attendance will be marked in the hospital. Sister Incharge will submit the attendance to Doctor Incharge who will forward to CMO of the District. At the end of the month, CMO will forward the attendance to Registrar, Punjab Nurses Registration Council. It is requested that every Chief Medical Officer should make sure that GNM interns are doing regular duty and following the instructions given on our website www.pnrc.in.

The D.D.O. of the hospital will charge Rs. 500/- (Rs. Five Hundred only) per student per month as Internship fee from the students for doing internship.

Thanking You.
