Subject : **Regarding explanation for being absent in workshop held in April-2023.**

The Punjab Nurses Registration Council and Indian Nursing Council had organized a one-day workshop on 11<sup>th</sup> April 2023. This workshop was mandatory for all the Principals of Nursing Institutes to attend. It has been observed that the Principals of above mentioned Nursing Institutes did not attend the workshop despite the clear cut directions from PNRC & INC.

Your absence from such an important and mandatory event shows either your institute does not have regular Principal or you were not serious about the directions issued by PNRC and INC. If so, then it will be taken as deficiency and shall be intimated to INC as well. This will also be considered under your deficiency of not having regular Principal while scrutinizing your Self Appraisal Performa for granting recognition for the session 2024-25.

You are thus required to submit an explanation via email to the PNRC office for not attending the workshop by 19-02-2024. Kindly consider this as "MOST URGENT".
